**MANAGEMENT DISCUSSION AND ANALYSIS REPORT**
**OVERVIEW**

The operating and financial review pertains to the management's perspective on the financial condition as well as the operating performance of the Company for the FY2022-23. The following discussion of the Company's financial performance result and operating results should be read in conjunction with the Company's Financial Statements and Notes thereto and other information included elsewhere in the Annual Report. The Company's Financial Statements were prepared in compliance with the requirements of the Companies Act, 2013.

**INDUSTRY STRUCTURE AND DEVELOPMENTS**

Battery technology has witnessed remarkable progress, resulting in improved energy density, longer lifespans, faster charging capabilities, and reduced costs. Lithium-ion batteries, the most prevalent energy storage solution, have become even more efficient and affordable, making them widely accessible for various applications.

The use of residential energy storage systems has been increasing as renewable energy sources like solar power become more prevalent. These systems allow homeowners to become more energy independent, reduce their electricity bills, and contribute to a more sustainable energy future by enabling a higher penetration of renewable energy in the overall energy mix.

The deployment of grid-scale energy storage systems has become more widespread and essential for grid stability and renewable energy integration. Large-scale lithium-ion battery installations, flow batteries, compressed air energy storage (CAES), and other innovative technologies are being deployed to balance supply and demand, mitigate intermittency issues, and facilitate the integration of renewable energy sources. These installations have significantly reduced reliance on fossil fuels and improved grid resilience.

The concept of Vehicle-to-Grid (V2G) has gained prominence, allowing electric vehicles (EVs) to not only draw power from the grid but also supply it back during peak demand periods. EVs, equipped with bidirectional charging capabilities, act as mobile energy storage units, enabling a more flexible and distributed energy system. V2G technology has been implemented on a larger scale,

creating virtual power plants that enhance grid stability and reduce strain during peak hours.

Overall, in 2023, the energy storage landscape has experienced significant advancements in battery technologies, grid-scale storage and V2G integration. These developments have contributed to a more sustainable, resilient, and efficient energy infrastructure, facilitating the transition to a cleaner and greener future.

## Independent Auditor's Report

To the Members of

**Waaree Technologies Limited**  
(Formerly Known as H. K. Trade International Ltd)

### Report on the Audit of the Financial Statements

#### Opinion

We have audited the accompanying financial statements of **Waaree Technologies Limited** ("the Company"), which comprise the Balance Sheet as at **March 31, 2023**, the Statement of Profit and Loss and the Statement of Cash Flows for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting standards prescribed under section 133 of the Act read with Companies (Accounting Standards) Rules, 2021 and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023; and its loss and cash flows for the year ended on that date.

#### Basis for opinion

We have conducted our audit of the financial statements in accordance with the Standards on Auditing ("SAs") as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

| Key audit matter   | How the matter was addressed  |
|--|---|
| <b>Acquisition under Slump sale</b>  | <b>Our audit procedures included:</b>   |
| The company has acquired the Li-ion Battery Division under a slump sale during the year, which involved the transfer | We gained an understanding of the terms and conditions of the slump sale transaction, by inspecting the business division transfer agreement, valuation reports |

|---|---|
| <p>of assets and liabilities as a whole, without individual recognition. The company recognized the acquired assets and liabilities at their fair values as at the acquisition date, resulting in the determination of goodwill. We identified the acquisition of a division of an undertaking under a slump sale as key audit matter since-</p> <p>a) This transaction involved the acquisition of the assets and liabilities of an undertaking as a whole, resulting in a potential impact on the carrying amounts of assets, liabilities, and the determination resulting goodwill.</p> <p>b) The carrying amounts of the assets and liabilities acquired and the allocation of purchase consideration require significant management judgment and estimation.</p> | <p>and other related documents.</p> <p>We have examined the valuation report of the independent valuer and assessed the reasonableness of assumptions and the appropriateness of valuation techniques employed to arrive at the values of assets and liabilities.</p> <p>We assessed the appropriateness of the accounting treatment applied by management, ensuring compliance with the relevant accounting standards.</p> <p>We have analysed the impact of the acquisition on the financial statements, including assessing the revised carrying amount of assets and liabilities resulting in goodwill.</p> |
|---|---|

#### Other Matter

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Directors' report, but does not include the financial statements and our auditor's report thereon.

- Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the financial statements, our responsibility is to read the other information, and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.
- If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

## Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with the Companies (Accounts) Rules, 2014.

This responsibility also includes the maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## Auditor's Responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financials statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## **Annexure - B to the Independent Auditors' Report**

**Referred to in paragraph 2(f) under the heading "Report on Other Legal and Regulatory Requirements" of our report of even date on the accounts of the company for the year ended 31<sup>st</sup> March, 2023**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

We have audited the internal financial controls over financial reporting of **Waaree Technologies Limited (Formerly known as H K Trade International Limited)** ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting. However, the Company does not have appropriate system manuals or predefined standard

operating procedure to maintain the efficacy and effectiveness of the internal financial controls throughout the year. Thus, the company does not have formal internal financial controls over financial reporting based on our verification.
